The Adult Ed Bridge program is a 12-week GED class that also includes terminology and basic skills relating to healthcare or advanced manufacturing. The goal of the program is to help GED students make a smoother transition into college level programs. Career programs that the bridge program graduates can transition to include:

- CNA
- Medical Billing and Coding
- Community Healthcare Worker
- Welding
- Manufacturing and Maintenance Technology

Students MUST score within Level 4 or 5 in Reading or Math on their CASAS placement assessment to be placed within the Bridge program.
