

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. In order to process your financial aid for the 2025-2026 academic year, we need to gather additional information about you and your spouse (if married) as required by the U.S. Department of Education (34 CFR, Part 668).

To verify the accuracy of the information provided on your application, we will compare your FAFSA with the information on this document and with any other required documents. South Suburban College reserves the right to make all necessary changes to your Student Aid Report (SAR).

Failure to complete the verification process will result in a delay of financial aid processing or possible loss of eligibility.

You (and your spouse) must complete and submit this Verification Worksheet, and any additional documentation requested, before your financial aid will be processed.
